

## Steps for registering for Project Management Essentials Module

STEP 1 : Visit [www.pmrinstitute.com](http://www.pmrinstitute.com)

The screenshot shows the PMRI website homepage. At the top is the PMRI logo and navigation menu (About Us, Training, Consulting, Research, Partners). Below the navigation is a banner with the text "Enhancing competencies" and a group photo of professionals. On the left, there is a "Members Hub" section with a login/signup form and an "E-learning Room" section with an "Enter" button. A red arrow points from the "Enter" button to the text "STEP 1". Below the banner, there is a "PMRI latest" section with links for "Testimonials", "Photos", and "News and events".

## STEP 2 / STEP 3

The screenshot shows the PMRI e-learning room login page. At the top left is the PMRI logo and navigation menu. At the top right is the "E learning" logo. Below the navigation is a large "@@@" symbol. On the right, there is a "MEMBER LOGIN" section with a "Username" field, a "Password" field, a "Login" button, and a "Forgot your password?" link. A red arrow points from the "Login" button to the text "STEP 3". Below the "Login" button is a "Signup" link with a red arrow pointing to it from the text "STEP 2". At the bottom of the login section, it says "Users : 2304 Subscriptions: 1517". At the bottom of the page, there is a copyright notice "Copyright PMRI. All rights reserved." and a footer "powered by ClassTube Your Globaliversity".

**PM Excellence with exam focus - 35 contact hours**

This program focuses on your project management competency as well as equip you for the PM certification. Irrespective of your knowledge and experience, exam practice is key in clearing the PM examination successfully on the first go itself. And again, a PM certification alone do not make you a successful project manager. This program's primary focus is to equip you to be effective in the project management profession and at the same time you should pass the PM exam with flying colours on the first go itself, if you aspire for certification. This is an instructor led program delivered over the internet. The participants are required to follow a pre-defined schedule, which will be published time to time. The learning is effected through Videos, Slides, Reference material, Net meeting with the
